Dear Carren,  
Happy New Year from Crops Plus!

There are a lot of exciting things coming for Crops Plus this year, starting with our January crop. You may have heard we are raffling away an iPad!

Also, for the first time, we will be offering Crops Plus tee shirts (see below) as well as limited edition scrapbooking kits for sale at the crops. We hope that you'll be joining us; you won't want to miss out on the fun!

We wish you all health, happiness, in-focus photos and unlimited supplies of adhesive for the coming year. :)

## January Scrapbooking Tip

**Extend the life of your Cricut mat!**

For those of you lucky gals who own a Cricut (or are planning on winning the January Grand Prize!) this thrifty tip is for you. Have you noticed how quickly your sticky mat loses it's "stick"?

This Zig 2-way glue pen (chisel tip) is your new best friend. You probably have some stashed in your supplies. Just coat your entire mat with this pen. Start at the top and work your way down in straight lines, until the whole surface is covered. Your mat will be very wet at first; it needs to dry for at least 20 minutes. After the drying time it should be good as new.

Another trick is to rotate the mat. The instructions tell you to only insert the mat into your machine with the arrow pointed up. You can utilize the whole cutting surface by turning your mat on its side and cutting equally on the entire surface!

And if worse comes to worst, Crops Plus will now also sell 12x12 and 6x12 mats at the crops at a discount!

## Valet Service Now Available

**Arrive between Noon and 3pm on Friday Jan 28th to take advantage of this offer!**

Crops Plus prides itself on being the area's only premier, full service crop. So, as another Crops Plus benefit, we are offering valet service!

On Friday, January 28th, from Noon - 3pm only, Crops Plus will have control of the coveted luggage carts at the hotel. All you have to do is pull up to the front door, tell the bellmen which bags to take and THAT'S IT! Our bellmen will load your bags and supplies onto the luggage carts, and Crops Plus staff will direct them to your seating area where they will unload your bags for you while you park your car. You can breeze into the crop room not carrying a single thing except for maybe your coffee or hot chocolate - your supplies will be waiting for you! No more hunting around for a cart. No more making multiple trips to your car in the cold!

Crops Plus will be paying the bellmen as our gift to you and as a thank you for your support. All we ask is that you pre-register so we know how many hands we will need and ask that you consider a tip of \$5 per cropper (cash or check payable to Crops Plus as we will be tipping them as a group.)

If you are interested in valet service, please send us an email before January 21 letting us know. [cropsplus@ourcropsplus.com](mailto:cropsplus@ourcropsplus.com)

As a side note, we are not currently offering this service for Sunday, January 30th. We would like to see how the first day goes and then perhaps we will arrange this service on arrival AND departure days for future crops.

## Featured Vendor: Bow Collette

**Fancy Quackers**

Some of you may know that our beloved store front vendor, Bow Collette of Fancy Quackers will be retiring after the January crop.

Bow has been unfailingly supportive and a true friend to Crops Plus. We will all miss her very much. She has been one of our core vendors since 2005. For those of you that have known Bow for as long as we have, we know you will not want to miss this opportunity to say goodbye to her as she moves on to new things (IE her brand new redesigned kitchen!)

Make sure to come in January to bid her farewell and to take advantage of fantastic sales that she will be offering on her products.
