Win an iPad

This is one of the most exciting things that Crops Plus has done! At the January 28-30 2011 crop, Crops Plus will be raffling an iPad! This is in addition to the great door prizes,

table gifts and grand prizes!

You will have a chance to buy raffle tickets at the crop for the iPad as well as WIN extra tickets. "How?", you ask.

- Crop Plus has a newly developed Facebook page! Become our friend on Facebook and get a free raffle ticket!
- We also are now on Twitter! Follow us on Twitter and get a free ticket!
- Starting Dec 1 and the weeks leading up to the Jan 28 crop, there will be contests and trivia on Facebook and Twitter. The winners of those fun games will also win extra tickets!

Why not give yourself an opportunity to win what you really want (and probably didn't get for Christmas!)

Hotel Info

We were able to negotiate the standing hotel rate of \$69/night! A link to book your rooms online for each crop will be available on the Crops Plus website within a few days! An announcement will be made when the hotel provides those links.

This is just the beginning of the great things happening at Crops Plus in 2011! We can't wait to see you again!

Please do not hesitate to contact us if you have any questions!

Sincerely,

Carren Crossley & The Crops Plus Team
